About Us

We Solve Problems & Make Pavement Maintenance Simple

PaveMyDrive provides pavement design, maintenance & construction services to the residential, commercial, recreational and industrial markets within a 60-mile radius of providing service of Cincinnati, Ohio.

Our **years of experience** enables efficiencies and great pricing. Our use of the **most amazing technology** enables speed and accuracy in providing quotation as well as providing pavement maintenance plans that will provide you exactly what you need when you need it. The **great relationship with our suppliers** guarantees quality materials on time and with guaranteed quality control. Our **evolving team** will provide consistency in delivering our promise!

Please find the enclosed proposal and do not hesitate to call us with any questions.

New Asphalt Pavement | Overlay

1. All surfaces to be paved will be cleaned of all loose materials.
2. The area under consideration for new asphalt surface comprises approx. 5 square feet.
3. **PrePave Leveling:** Our firm will level low and depressed areas by installing **5 tons** of asphalt leveling surface. This is a very important process that will enable minimization of standing water.
4. Our firm will machine install 5 inches of compacted thickness surface asphalt, with all work being completed in 1 trip(s). ***Vital to note that all work we specify is the final depth, not the depth prior to compaction.***
5. **Parking Blocks:** This proposal includes the setting aside and replacing 5 parking blocks/chalks. We will do everything possible not to damage any parking block, however if they are currently damaged moving them will cause possible future damage, of which will be an additional charge.
6. In order to make sure that the new surface meets existing surfaces flush, we will remove existing pavement where it meets utility lids, concrete aprons, dumpster pads etc to create the smoothest transition possible.
7. All areas will be barricaded before, during, and after this project.

Total Price for this item: \$5,555.00

Line Striping

1. Our firm will restripe the parking lot area as per the existing layout.
2. All work will be performed so that there is minimal interruption to your facility.
3. If sealcoating, we will stripe parking area after the sealcoating material has cured.

Total Price for this item: \$1,000.00
